

Laidlaw Bus Terminal

South Windsor, CT

Client

Mitchell Property Group

Completed

2005

Description

Zuvic Carr helped the owner convert the former Tobacco Valley Sanitation (TVS) facility into a modern school bus facility. This project included the removal and closure of underground storage tanks; Phase I, II and III Environmental Site Assessments and site remediation; the preparation of building design, site plan, communication tower design and permitting; the design and permitting of a new fleet fueling location; and overall construction coordination and inspection services.
